A Suspenseful Novel of Undaunted Faith, Loyalty, and Love That Sheds Light on the Plight of the Persecuted Chinese Church

Across the China Sky
by C. Hope Flinchbaugh

Minneapolis, MN—What if a member of your church befriended you and paid your way to a Christian school—but after getting there you discover you had just been kidnapped by a dangerous cult?

Hope Flinchbaugh, an expert on the persecuted church and the author of the Christy Award finalist *Daughter of China*, has crafted a chilling novel that sheds light on the shocking struggles and inspiring faith of Christians in the Chinese Church.

Across the China Sky follows the relationship of a young engaged Chinese couple, Mei Lin and Liko, who struggle to keep their love alive while being separated. While Mei Lin serves in an orphanage for the summer, Liko is kidnapped by the dangerous Eastern Lightning cult, who attempt to brainwash, seduce, and coerce him into accepting false beliefs.

How can Liko stand strong in his faith and find freedom from this bizarre cult? And will he and Mei Lin ever be united again?

NOTE: Mei Lin and Liko were introduced to readers in *Daughter of China*. However, *Across the China Sky* can be read independently of *Daughter of China*.

**As part of her in-depth
research, Hope
Flinchbaugh traveled to
China and had numerous
personal interviews with
Chinese leaders and
pastors, including several
pastors who were
kidnapped by the Eastern
Lightning cult in 2002.**
