## Fun and Hilarious “Mom-Lit” from a Talented Debut Novelist

*The Secret Life of Becky Miller* by Sharon Hinck

*Faster than a speeding minivan, able to leap piles of laundry in a single bound...  
it's a bird, it's a plane, it's Supermom!*

Minneapolis, MN—Becky Miller appears to be your average all-American mom and wife, struggling to keep her family and home together. But during the day-to-day bustle of being a mom and wife, she strives to become Supermom! Her vivid (and hilarious) daydreams help her cope with the pressure to be a Wonderful Wife and Marvelous Mom. Yet she keeps hearing her inner tape play:

*Your mission: support your husband when he loses his job, nurture an eccentric circle of friends, raise perfect Christian children, cook delicious meals in a spotless kitchen, lead the women's ministry at church, and live a life filled with Meaning and Purpose.*

How does this supermom react when her grand plans start to fall apart? What will it take for her to turn off the tape and listen to God's voice instead?

Funny, sweet, and refreshingly authentic, *The Secret Life of Becky Miller* will evoke sympathetic sighs and laughter from readers who have been there and will entertain and delight readers who haven't.

**“In the style of James Thurber's Walter Mitty, Sharon Hinck delivers an exceptional read that will touch your heart and your funny bone. By the end of the book, you'll feel like Becky Miller is your best friend.”**

**—Tim Bete, author of *In the Beginning . . . There Were No Diapers* and director of the Erma Bombeck Writers' Workshop**

**“Witty, whimsical, and yet so wonderfully down-to-earth, Sharon Hinck's *The Secret Life of Becky Miller* is everything you'd want in an entertaining read. It's smart, funny, and real. A convincing cast of characters is headlined by the perfectly drawn wife and mother whose secret ambitions add punch and panache to every chapter.”**

**—Susan Meissner, author of *Why the Sky is Blue***

**“Hinck's humorous portrayal of the insecurities and struggles of Becky Miller made me see my own life as a Christian mom with a fresh perspective. *The Secret Life of Becky Miller* cleverly illustrates the difference between being busy for God and finding a place of genuine purpose.”**

**—Sharon Dunn, award-winning author of the RUBY TAYLOR MYSTERY series**
