FOR IMMEDIATE RELEASE

Bestselling Author Tracie Peterson Continues Her Gripping Alaskan Saga

Under the Northern Lights by Tracie Peterson

Minneapolis, MN—Bestselling author Tracie Peterson continues her compelling saga of life and love in the rugged Alaska Territory. Helaina Beecham lived in a world of refinement, luxury, and sophistication until a devastating loss changed her life forever. Now she seeks justice with the Pinkertons. But one man continues to elude her. As Helaina recklessly pursues the fugitive Chase Kincaid into the Alaskan wilderness, her obsession dulls her judgment, and she finds that the tables have turned—she has been kidnapped by the dangerous man she was hunting. Her only hope is Jacob, the rough, unsophisticated young man who is entirely too handsome for his own good. Will he be able to rescue her before it's too late?

“The strong, likable female characters are well developed, and Peterson’s fans will be caught up in the suspense...Recommended.”

—*Library Journal*

Through numerous visits to the actual sites she depicts in her books, Tracie Peterson paints breathtaking pictures of the beautiful Alaskan landscapes that are the backdrop for the unfurling adventure. Her in-depth research gives life to the time period and draws the reader into the lives of the characters, once again creating a story too good to put down.

**Sales of Book 1,
